Subject: Declaration of Conformity – EU REACH

Dear Valued Customer:

UC Components, Inc. affirms, to the best of its knowledge, that the products we supply are compliant with the provisions of Regulation (EC) No 1907/2006 of the European Parliament and of the Council, dated December 18, 2006, concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), including all applicable amendments through June 25, 2025. Substances in UC Components products are not anticipated to be released under normal or reasonably foreseeable conditions of use. In addition, to the best of its knowledge, products supplied to UC Components do not contain the substances listed in the following sections of this directive:

- To the best of its knowledge, UC Components states that its products do not contain any Substances of Very High Concern (SVHC) as defined in Article 57 and ANNEX XIV with amendments dated June 25, 2025.
- UC Components products may contain lead, a substance on the Candidate List of Substances of Very High Concern (Candidate List) published per Article 59(10) of the REACH regulation with amendments as of June 25, 2025. To the best of its knowledge, UC Components states that its products contain no other substances on the Candidates List. UC Components will continue to monitor additions to the Candidates List and notify its customers if components of its products are added to the Candidates List.
- UC Components products may contain lead or nickel, restricted substances identified in Article 67 and Annex XVII (with amendments) as of June 25, 2025. Products containing lead and nickel are restricted from specific uses identified in Entries 27 and 63 of Annex XVII. To the best of its knowledge, UC Components states that no other substances identified in Article 67 and Annex XVII (with amendments) dated June 2, 2025, are present in the supplied products.

We shall monitor all changes to this Directive and Annexes XIV and XVII and ensure that our products continue to comply with all future requirements and amendments.

Respectfully,

UC Components, Inc.
